New Screening Process

Many of our parents and guardians volunteer at our school to support their child's learning.

To make it easier for parents and guardians to volunteer their time, the Department for Education and Child Development has updated its relevant history screening policy and procedures.

As a result, parents and guardians who volunteer to directly support their child will no longer require a relevant history screening.

This will mean many of our volunteers can help out sooner.

A screening is still necessary for parents and guardians who are volunteering at school working as general classroom support, canteen, camps and sleep overs, as well as those hosting billets and homestay students.

As has always been the case, a screening is not needed to attend single events or activities at our school. These include concerts, fundraisers, swimming week or sports day.

Screenings are just one measure used to help keep children safe. Everyone who works with children plays a part in child protection, including watching out for inappropriate behaviour.

Find out more about relevant history screening and keeping children safe at www.decd.sa.gov.au.
