This week, students are participating in run offs for the opportunity to compete in running events. Staff have been busy preparing Tabloid events which are run during the day in all classes and are a fun way to encourage participation from all students. On the day, there will be food and drinks available. Subway Order forms have been sent home today and are due back no later than Thursday 31st March. If you have any questions, or would like to offer assistance on the day, please don’t hesitate to contact the school.

Well-being message

Skills required for effective conflict resolution

Effective conflict resolution requires children to apply a combination of well-developed social and emotional skills. These include skills for managing feelings, understanding others, communicating effectively and making decisions. Children need guidance and ‘coaching’ to learn these skills. Learning to use all the skills effectively in combination takes practice and maturity.
