Parent Teacher Interview

Positive start to your
child's learning for 2017

WEEK 3

In order to maximise your child's potential and learning, we will be conducting Parent/Guardian Teacher interviews this week. Time allocation forms have been sent home for you to schedule your Teacher Interview. Please return the completed form to your child's teacher to secure your preferred time. We believe that this is a positive start to your child's learning for 2017 by getting to know both you and your child.

Promoting Active Travel to School

At WTPS we aim to promote active ways to travel to school. Our goal is to have children and families choose to walk, ride, scoot or use public transport as a safer, greener and more active travel alternative to driving. We appreciate that many families may not live within walking distance so we would like to promote the Think Feet First signage located at Harvey Norman Car park. Simply park your car near the signage and walk/scoot/ride the rest of the way to school, you only need to choose one or 2 days a week to have an impact. Don't just make the effort on National Walk to School Day, every bit makes a difference. Have you considered carpooling as an option? This is a good alternative to reducing the amount of cars during morning drop off and afternoon pickup as well as providing a greener way to travel.

Student Support Services

Children and young people who need extra help are often referred to the Student Support Services team by their teacher. Student Support Services include social workers, behaviour support coaches, psychologists, special educators, speech pathologists and provide support to children and teachers in state schools and preschools. If your child's teacher feels that your child or their class as a whole is having difficulties they may engage with the Student Support Services team regarding these difficulties. Your teacher will discuss this with you and obtain your consent before making a formal request for support is made for your child. For more information, speak with your preschool or school or visit www.decd.sa.gov.au

Wellbeing Message

*You don't have the power to
make life "fair,"
but you do have the power to
make life joyful.
