STEM

SCIENCE, TECHNOLOGY, ENGINEERING & MATHEMATICS

Our school will have up to one million dollars invested at our site to improve our science, technology, engineering, maths (STEM) facilities. We're one of 139 schools across the state to benefit from this \$250 million state government investment. Planning for these facilities will start immediately with construction to be completed before the end of 2018.

Contemporary facilities and learning approaches will help to engage our students and prepare them for future jobs in defence and advanced manufacturing. More information is available at www.decd.sa.gov.au/stemworks.

2017 House Captain's

Congratulations to the 2017 House Captains who received their House Badges at Assembly last week.

SCHOOL SPORTS DAY

Vibes of excitement have been building as preparation has been underway for sports day which is to be held on **Thursday April 13**. In our first house meeting, captains and vice captains were selected and house songs could be heard echoing across the school grounds. This week, students are participating in run offs for the opportunity to compete in running events. Staff have been busy preparing Tabloid events which are run during the day in all classes and are a fun way to encourage participation from all students.

Available on the Day:

Sausage sizzle and Drink Stall at the oval

Food and Cake Stall available from the Canteen

Subway Order forms have been sent home and are due back no later than **Thursday 6th April**. If you have any questions, or would like to offer assistance on the day, please don't hesitate to contact the school.

NO LUNCH ORDERS AVAILABLE

Aquatics

Week 7 and 8 saw the Year 6 and 7 classes travel to Port Augusta to take part in Aquatics.

All students had a blast during the activities which included wind surfing, canoeing, kayaking, and sailing.

The weather was on our side as it was a beautiful sunny day without a breath of wind making it perfect conditions for the activities, until it was time for sailing. We didn't move very far or fast! Nonetheless, everyone still enjoyed themselves.

A great day had by all!
