## Governing Council News

### Silver Coin Challenge

Well done to those families who supported the Silver Coin Challenge. Last week we raised **\$153.75** Congratulations to **Room 17** who raised the most money. We raised a massive **\$763.80** by doing this challenge well done to the families who supported this!!!

### Nationally Consistent Collection of Data on School Students with Disability

We have commenced the annual nationally consistent collection of data on school students with disability.

This will involve the collection of: the number of students receiving adjustments to enable them to participate in education on the same basis as other students; the level of adjustment provided to students; and where known, the student's type of disability.

Under the Collection model the definition of disability is broad and includes learning difficulties, health and mental health conditions.

If your child is identified for inclusion in the Collection, the required information about your child will be included in this year's data collection.

If you have any questions about the data collection, please contact [insert contact person at school] on [insert phone number]. Further information about the Collection can be found at: <http://www.education.gov.au/nationally-consistent-collection-data-school-students-disability>.
