Learning for Life Financial Support

The Smith Family's *Learning for Life* program recognises that some children need extra support to stay at school and go on to further studies or a job to reach their potential. The *Learning for Life* scholarship helps create better futures for children by providing: Financial assistance; support from a *Learning for Life* Program Coordinator and access to Smith Family educational programs to help children get the most out of their school years. A biannual payment is made to families to help them cover education-related expenses, such as books, uniforms, camps and excursions. The funds are used to help students participate in activities that are core to the educational development of all young people. If you hold a current health care card or a pension card you may be eligible to receive the Smith Family Learning for Life program Scholarship. Please contact Julie Dunn Julie.dunn714@schools.sa.edu.au Thank you.
