## Community News

**The Science Circus is coming to WHYALLA!**

The Shell Questacon Science Circus is a great opportunity for parents and children to share, discover and explore science together. You can encourage a fascination and enjoyment of science by exploring hands-on exhibits.

Come along and spin like an ice-skater, discover how fast you can throw a ball, freeze your shadow on a wall and test your reflexes.

Spectacular science shows are presented regularly during opening hours. You may see giant smoke rings, bricks being smashed on someone's stomach or a Science Circus presenter lighting their hands on fire!

Science toys for sale (cash only).
