Week 2, 7th February 2018

Anti-Bullying

During this week all students from Year 1-7 were exposed to workshops to support them with identifying and reporting bullying. We have school wide processes in place to support students and to deal with bullying issues promptly and effectively.

A pamphlet was distributed to all students to bring home. This pamphlet contains a summary of the information presented to students and we would appreciate Parents/Caregivers making some time to go through the pamphlet with your child. If you require further information please contact the school.

Parent Teacher interviews 2018

Teacher/Parent interviews will be held next Week. It is critical that all parents attend these interviews as they will support your child/children to settle in and maximise their achievement in 2018. Please make this a priority as we believe that this is a positive start to your child's learning by getting to know both you and your child. This year a new online booking system will be trialled where you can schedule an interview online. A separate information sheet has been sent home with details on how to log on and a password.
